### RV FOR SALE LISTING FORM

Posting your RV for sale on our website is a free service to Tall Pines Residents. Our RV's For Sale page gets a lot of traffic, and we get calls all the time about what's for sale. Tall Pines Campground in no way gets involved with the sale of your RV, and we ask nothing in return. Just follow our resale rules and let us know when your RV is sold so we can take your listing down.

In order to make it fair for everyone listing their RV, we ask that you complete all the information requested on this sheet. We can only post 6 pictures of your RV, so please don't send us 20. Choose the pictures you think show your RV in the best light.
