TALL PINES CAMPGROUND RESORT

NOTICE OF INTENT TO REPLACE EXISTING RV ON SITE

Date _____

Site# _____

Resident(s): _____ _____

Email **Address:** _____

As per the rules and regulations for the campground, this is to notify the Tall Pines Management office of our intent to replace our current RV located on the site noted above. I understand that I/we must notify the Tall Pines office of the change before bringing in the new RV. **Please note that new/replacement RVs must be within 10 years of age.** I/we will need to provide the Tall Pines office with the information (Year, Make, Model, Serial #) for the new RV, along with updated insurance information, as well as providing a copy of the title for my resident file. I also understand that my site is subject to an inspection by Tall Pines management prior to moving in the new RV. Any violations must be corrected to bring the site into compliance.

Tall Pines Management has the right to request photographs of any new/replacement RV/Park Model being placed on an RV site. Any "Grandfathered" construction will no longer be "Grandfathered" if there is a change to the RV currently on site. You will get an email with the results of the inspection. Inspections **are valid for six (6) months from date noted below.** Please allow up to (5) five days for the results.
